Season 2021 Report

THE BROADFORD FOOTBALL NETBALL CLUB ACKNOWLEDGES THE TAUNGURUNG PEOPLE AS THE TRADITIONAL OWNERS AND CUSTODIANS OF THE LANDS, WATERWAYS AND SKIES ON WHICH WE PLAY THE GREAT GAMES OF FOOTBALL AND NETBALL AT HOME.

WE RESPECTFULLY EXTEND OUR ACKNOWLEDGMENT TO ALL OTHER ABORIGINAL AND TORRES STRAIT ISLANDER PEOPLES AROUND THE COUNTRY, THEIR ELDERS PAST, PRESENT AND EMERGING.

MAY WE ALL WALK GENTLY AND RESPECTFULLY TOGETHER ON A PATH TOWARDS RECONCILLIATION.

This report has been designed, prepared and edited by Club President Bonnie Cavanagh, using contributions from relevant portfolio holders guided by their end-of-season reports.

ABOUT US

Established in 1890, the Broadford Football Netball Club (BFNC) has been proudly representing the Broadford community in both football and netball for over 130 years.

The club has provided grounding for many past VFL/AFL players including Premiership players Alan Ezard, Barry Hall, Jack Green and Bob Suter. A range of former players have also received high individual accolades including Magarey Medallist James Ezard and Adelaide Crows 200 game Best and Fairest Richard Douglas.

The club is also proud of our A Grade netball coach Ash Chapman who has played and coached for both Victorian & Australian men's and women's netball teams.

Committed to a sustainable future for all age groups, demographics and abilities, the BFNC has been actively promoting a 'people-focused' vision to ensure we connect, support, celebrate and value all members, sponsors, players and supporters of the BFNC and wider community, to promote social inclusion at its highest level through sport, events and interaction.

The BFNC is continuing to grow as an endorsed AFL Victoria Quality Club and Good Sports Level 3, as we strive for greatness both on-and-off the field and court, balanced with fun, family and friendship along the way.

The club is a rising not-for-profit sporting organisation with a rich history, and prides itself on being an integral part of the town, shire and wider community.

We are a very small, yet passionate committee doing whatever we can to improve the BFNC experience for all, fundraising and advocating to provide the best possible club environment.

If you are not already involved in some way, we invite you to connect or re-engage with us and come along the fantastic journey by contacting the club. You won't regret it!

PRESIDENT'S REPORT

I am proud to present the inaugural Season Report on behalf of the Broadford Football Netball Club, for Season 2021.

It's important for us to not only be showcasing our great club and it's achievements for the year, but openly communicate with the community on our overall performance - the good, the bad and the future opportunities that await us.

Having just completed my third term as President, I certainly didn't dream I would be dealing with a continuing worldwide pandemic on the community sporting frontline, nor did I foresee a league shift so early on in my tenure. However, coming in and instantly conducting a thorough review of where our club has been, where it's at and where it needs to be, it was clear that to proactively move forward in efforts to achieve overall sustainability, we needed to make a change. Despite outsider confusion at times, only a true clubperson who has also remained engaged with us would understand why it was needed and how great it has felt to embark on a new challenge and be part of another chapter in our clubs rich 130-year history.

Speaking of history, I am excited to announce we will be finally establishing an *Honours and Awards Committee* in Season 2022 after a few stop-start attempts hijacked for obvious reasons. This sub-committee will drive some exciting projects to ensure we recognise, celebrate and archive the people and moments connected to life at the BFNC. I look forward to sharing the committees progress next year, and in coming years.

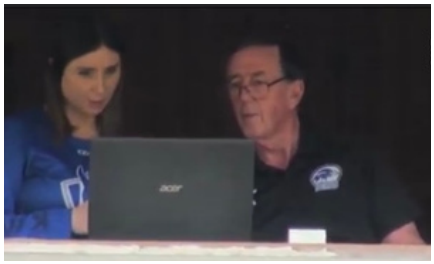

Another area I am extremely proud of, is the uplift in our governance processes. These changes have enabled smoother administration and other improvements that are projected to occur in 2022. One being, the review and implementation of a new constitution. This work has commenced, however has been met with delays due to the urgency of maintaining our COVID response, another area where we have led the way in creating a COVID Safe Plan from scratch that successfully supported our return-to-play many times throughout the past two-years.

It is safe to say that the club has enjoyed a successful year in AFL Outer East, albeit a half-season due to COVID causing the cancellation of same so abruptly. Technically it was our second year with our new affiliate, but our first physically competing where we saw our netballers have excellent success, both teams and individuals. The footballers had a tough start, however we did enjoy a few wins across two of the three grades, and saw genuine dedication to represent the club as best as possible both on and off the field.

PRESIDENT'S REPORT

It has been awesome getting to know the new clubs and their committees, including the development of new rivalries and friendships. I think we have made a great impression so far across the valley which should come as no surprise!

While its been another wild ride for the club in navigating the constant COVID challenges, we have always swiftly adapted and kept on pushing to keep things successfully ticking along, despite some frustrating factors out of our control. Personally, this year has had added pressures both negative and positive, all of which have been overcome through the sheer support and passion of our people. To you, I say thank you.

There are so many people to thank for their incredible contributions to the club this year, and to me personally. It is always challenging to acknowledge everyone, so I would like to take this opportunity to say a big thank you to all of our supporters, sponsors, volunteers, players, coaches, support staff, trainers, committee and executive committee members. Without your dedication and support, the club would simply not survive!

I welcomed my first daughter this year, Georgia Reign, which now only increases my motivation to work hard to ensure the BFNC is still here and in a fantastic position when she is old enough to officially don the blue and white. I hope she can one day look up at the clubroom walls and be proud to point out my name, and the names of all her now many Aunts and Uncles, and say 'that's my mum!'. Hopefully she doesn't find the awful photo of me in the 2003 Under 17 Netball Premiership team though! Great win, terrible hairstyle.

There are many factors that motivate us to be connected to the club. For me, 19 years of playing, coaching, sponsoring, volunteering and now leading, has attached part of my soul to this place. A bit full on I know, but I am sure I'm not alone in sharing a deep passion, pride and promise to the BFNC. I will do everything I can to make this place better off each year. I hope to see as many people as possible recommit to the club in 2022 and continue on this exciting journey with us. The future is bright!

Bonnie Cavanagh

PRESIDENT

SECRETARY REPORT

What a crazy year 2021 has been!

Our first actual year in AFL Outer East, and I think that I can say on behalf of all of us, that we were so glad to finally get back out on the court and field after no footy or netball last year. Although the ending wasn't the fairytale many of us had hoped for, we will be moving onwards and upwards in 2022.

One of the key achievements in 2021 was completing our transition across from the RDFNL.

Throughout the season, meeting and greeting the new competition and their committee members was successfully achieved where I remained in constant communication to ensure smooth gameday operations. In 2021, it was paramount that there was a significant link with my department and the football department. Our off-field efforts were second to none with regards to communication and working with each other to coordinate player transfers, game-day administration and support for coaches.

Without a doubt, a key challenge was the various bits and bobs of COVID-19 throughout the season. There is absolutely no denying that the outbreaks throughout the season caused major disruptions. Finally, now that we have been in our new home for over a year, the adoption of different protocols and procedures are second nature. I now look forward to building on this progress in 2022, hopefully without disruptions.
Thank you to Cam Hutchinson, AFL Outer East Operations Manager for the support provided in ensuring our club administration was completed to the correct standard. It was a big administrative change and Cam was always available to assist when I needed. We look forward in continuing to working with you next season and also in developing long-term relationships (and rivalries) with our competitors.

SECRETARY REPORT

Although a lot of our 2021 events were cancelled, we were lucky enough to run a select few. Our first function of the year was a 'Mardi Gras' theme and was extremely successful. We saw many of our favourite footballers and netballers attend and dance the night away.

We were also lucky enough to run our comedy night with popular comedian 'The Suburban Footballer, Tom Siegert' - An act that is normally booked out two-years in advance, so was a fantastic get and boy did he not disappoint. For the select few that were there, it was constant laughs and good times. Just what the doctor ordered.

Another successful Ladies Day was ran by Carina Mills, an annual highlight on the BFNC calendar attracting many different women from the community who attend year in, year out. This years special feature was a key note address by AFLW & Big Brother Star, Jess Trend. It was unfortunate that the remainder of our functions had to be cancelled for the year. However, we will be coming back stronger and better than ever in 2022. Watch this space.

In closing, thank you to all our amazing supporters, members and players. I can't wait to see every single one of you again in 2022. And finally, an extra special shout-out to my fellow Executive Committee members. I know we have faced another tough year, but we got through it!

Watch out 2022, it's the year of the Roo!

Amanda Rothwell-Hiscock

SECRETARY

FINANCIAL REPORT

I am pleased to report on behalf of the club that even with the challenges of another season effected by the Coronavirus pandemic, we remain in a steady financial position and continue to be debt free.

It was of course a challenge to find ways to fundraise in the traditional sense this year - functions, raffles. However we still found a few ways during the first half of the season before we had to turn to using online methods.

We were successful in obtaining a spot to host a bbq at Bunnings in Seymour, ran an Easter Community Market, and the social committee squeezed in a couple of general functions prior to commencing the promotion of the online Toyota Good for Footy Raffle and Reverse Raffle Draw.

By adapting our strategies and continuing to innovate to raise funds, we have kept the club in the green and in a neutral position to commence planning for season 2022.

Our sponsors this season have again been incredible! Without their support, the club simply could not operate. Sponsors are vital for our survival and I thank each and every person and business who supported the BFNC this year. We look forward to a continued partnership next season and into the future.

Next season, one of our goals is to increase our membership sales and off-field merchandise. I will work in partnership with our membership and merchandise manager Sarah Heers to really drive these numbers up as much as possible, ensuring we have exciting options for our loyal members.

I also am excited to celebrate and continue promoting our sponsors as soon as possible, as we begin to re-sign deals so we are ready for 2022.

Jaimie Hooper

TREASURER

CHILD SAFETY REPORT

Over the past few years, I have been proud to established Child Safety policies and procedures on behalf of Broadford Football Netball Club.

This was all in efforts to not only ensure a safe space for our children at the club, but to conform with the Child Safety Standards set by the AFL Outer East League, and included the development of the following documents:

- Position Description
- Child Safe Standard Policy
- Child Safety - Code of Conduct
- Incident Reporting Procedure
- Child Safety Risk Assessment Template

The club attained Child Protection Certification through *Play By the Rules* this year which will be refreshed in February 2022, and I liaised with 32 BFNC Club Officials to request Recruitment and Working With Children Check (WWCC) documentation. Details are registered on a comprehensive and confidential club WWCC register.

I look forward to working with the AFLOE Child Safety Commissioner once they are appointed. This position has been vacant since our amalgamation into the league, putting some of our enquiries in a holding pattern at the time of this report.

On the horizon, a full and extensive review of our policies procedures is required by June 2022 due to legislative updates. After this process, I will amend our policies and procedures as required by the new legislation and seek immediate approval from Executive Committee. Once approved, these documents must be promptly published online to adhere to the leagues under age requirements.

Brooke Currell

CHILD SAFETY OFFICER

FOOTBALL REPORT

Another year down, and yet another year effected by COVID.

New year, new hopes and it all started with the signing of multiple new and re-committed players. Touching base with the playing list would be key and multiple new signings of bigger players was the priority. Educating the players on the direction of the club also a key point moving into the new year and first tilt at the new competition.

New signings such as Liam Lucas, Brandon Austin, Zac Hill and Issac Smithwick brought some well needed speed, polish and grunt that was well needed. Not to mention the acquisition of tall bodies such as Hugh Hart and Nic Franks as two good young additions to the squad. The mentioned players had a mixture of experienced, seasoned and knowledgeable senior footballers, as well as youthfulness and a willingness to learn and develop.

Along with the new signings it was paramount that we retained a core playing group that would be able to guide the newer players to the club. Experienced players and club people such as Sean Duggan, Jayden Welch, James Edwards, Angus Norris, Neeson Cook and Rhys Carman making the commitment to play for the year.

The goal at the start of the year from the football group was to build a list that would be able to be self-sufficient and sustainable during what was expected to be a stunted and testing year ahead due to circumstances out of the clubs control. The playing group grew to a great number for the club. Including the addition of under 17s this year for the first time in four years, the playing list grew to just under 80, which in a time of uncertainty was a real boost to the club. Setting the base level for where it should be operating for future years to come.

With the departure of former senior football coach Jamie Kelly in 2020, it was essential that the in-coming coach was able to coach as well as mentor the young and developing playing group. Russell Humphrey was appointed on a one-year contract, bringing with him experience in multiple organisations and clubs such as Calder Cannons both men and women, and Hurstbridge and Wallan Football Netball Clubs to name a few. This was Russ's first senior football coaching appointment.

FOOTBALL REPORT

The re-commencement of the Under 17s competition was an exciting achievement. With the help of a few of the boys, mainly Kyle Macartney and the under 17s coach, Ash Wood, a side was put together giving the opportunity for 22 young fellas to play football. The boys were able to win a few games and cement second spot on the ladder, a great achievement even though it was a four team competition due to low numbers at other clubs rendering them unable to field a side.

As a playing group for season 2021, the year was not filled with the most amount of success. Without dwelling to much on COVID being the overarching factor of the year, the stop-start nature caused a lot of the playing group to turn to work and family commitments instead of footy. I must stress from a personal point of view that I would never hold these decisions against any player as I have a firm belief that at the heart of every football player there needs to be a balance between work, family and footy.

Factoring in multiple injuries preventing some more of the senior bodies taking place on the field success was limited. The senior side was unable to secure any wins for the year, despite some promising passages of play within almost every game. The Reserves were able to secure two wins, which was a great improvement from 2019.

Multiple players for the year had milestones which are key to their personal development at the club. We had many players reach senior milestone games such as there first game and some there 50th game, 100th game, and others even higher.

I would like to thank the club for the opportunity to be part of not only the football department but the Executive. I have enjoyed getting to know new names and faces and share good times with all. On a parting note, I want to challenge the player base. I challenge them to lift themselves not for the club but for themselves. Only once that changes will come success. I challenge them to push harder, push faster and always learn, once these goals are achieved success will return to the club.

Matthew Whiteside

ACHIEVEMENTS
FOOTBALL

Despite not having many wins across the football department this season, there was still alot to celebrate!

The senior footballers were the top ranked team in Division 2 for Pressure Acts and Tackles.

This season, club stalwart Jamie Hetherton (middle right) and former senior football captain and 2021 Reserves Coach Jayden Welch (middle left) hung up the boots. The BFNC congratulates both men on outstanding contributions to the club, and wishes them all very best in their future endeavours.

Senior footballers (L - R) Rhys Carman, Harley Austin and 'Ultimate Ressie' Aaron Gleeson enjoyed milestone games at home verse Yarra Junction, with the reserves coming away 34 point winners

NETBALL REPORT

The netball department celebrated many key achievements this year.

Our four netball teams made a big impact in our first year in AFL Outer East, with all teams finishing in a top three ladder position. We had eight players in contention for a league award, with five players bringing home a trophy and Ash Chapman named the leagues A grade coach of the year.

We fielded a full junior team this season in the D Grade competition and it was great to see them be extremely competitive, even when coming up against experienced senior women. We look foward to seeing all these girls rise up through the senior ranks in coming years.

At the start of the season, we were also invited by the team at Valley Vicious to partake in the 3rd Annual Rett Syndrome Awareness Cup where a mix of our players represented the club against Seville. It was a fun day out for a great cause.

After a challenging year with constant interruptions, we finished the shortened season with a full squad and limited injuries compared to previous years. The club is now looking at retaining a majority of players moving into 2022 and everyone is looking forward to another successful season. Thank you to all of the coaches, Kylie Baines (D Grade), Kirbie Theuma and Jaimie Hooper (C Grade), Renee Sari (B Grade) and Ash Chapman (A Grade) for their efforts this year and of course, the players.

Regardless of the continued interruptions to the season, we were very proud of all team officials and the playing group. I hope they can continue on in 2022 and have another successful season.

ACHIEVEMENTS

NETBALL

The netball had enormous success this season.

Not only did all of our four teams finish in the top three and take out one minor premiership, but we had one netballer take out the D Grade League Best & Fairest and had Runner-Up Best & Fairest placings in all other grades!

There was also a total of five A grade netballers nominated for 'A Grade Team of the Year', with one player earning a starting spot and our A Grade Coach being named 'A Grade Coach of the Year'!

We also celebrated April Maunder's 50th Senior Club Game when we faced Warburton early in the season.

SOCIAL MEDIA INSIGHTS

This season, our President Bonnie Cavanagh ran the Facebook page and Social Media Officers Megan & Kate Berger ran Instagram which included excellent coverage of both training nights and game days via the Instagram story function.

What makes the BFNC unique is our ability to connect with community members online really well.

Our two main online channels, Facebook and Instagram, continue to grow each day with individuals liking our page and interacting with our posts on a regular basis.

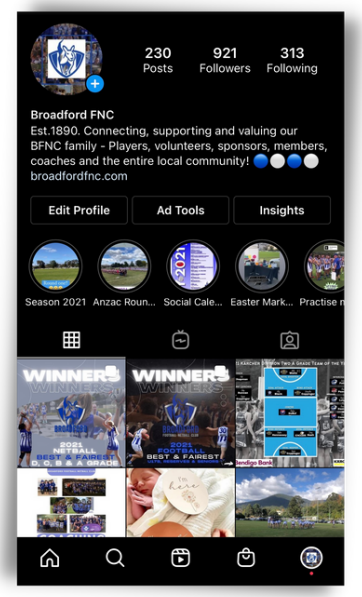

Sponsors can be assured that by investing in the BFNC, we give businesses fantastic exposure by advertising same via our online channels. Our social reach extends beyond a local audience into Melbourne, and both the Goulburn and Yarra Valley. We see consistent likes, shares and interactions with each of our sponsor posts, so we aim to share as much sponsor content as our strategic schedule allows for maximum exposure and engagement.

Time and time again, we are met with praise of our social media engagement. No one ever misses out on club news or a minute of the action if they are linked in with the clubs social media accounts.

This year, the club also re-designed our website to be more contemporary and fit-for-purpose. This was all done by the fabulous Carina Mills, who will take on the newly established role of Online Communications Manager in season 2022. This role will not only manage the website but take over from us three, with oversight by Bonnie, and implement a steady schedule of content over Facebook and Instagram from 2022 pre-season onward.

The BFNC thanks both Megan & Kate for their amazing efforts in growing our online audience the past few years!

Bonnie, Kate & Megan

SOCIAL MEDIA

SOCIAL MEDIA INSIGHTS

It is really exciting to see that many of our Facebook posts achieve excellent engagement numbers and wide reach.

A clear pattern has also emerged this season with our audience interacting with the more personal stories, local sponsor shoutouts, and tend to share posts where we are seeking assistance, such as our coaching vacancies.

Our top post performers on Facebook this season were:
- 'Coaching Positions Available'
- Birth Announcement of President Bonnie Cavanagh and Reserves Coach Jayden Welch
- Volunteer Appreciation - Cheryl Hunter
- Jamie Hetherton's Retirement
- Sponsor Promotional Videos

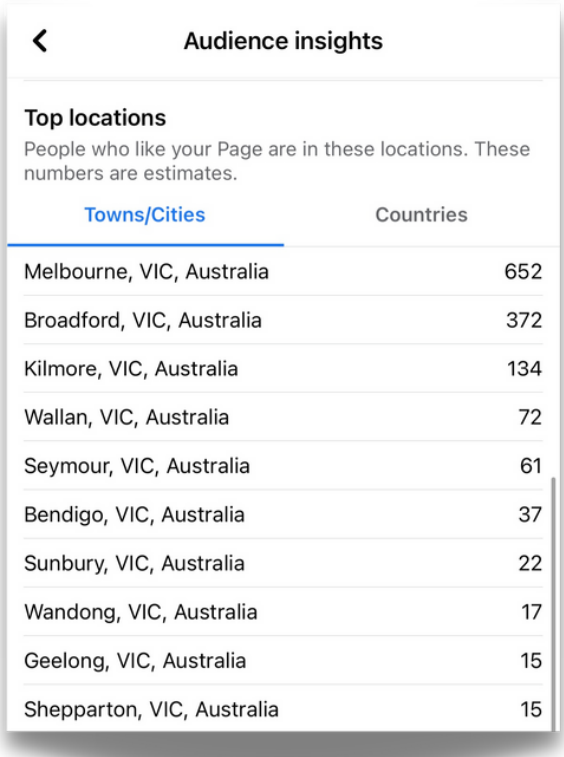

SOCIAL MEDIA INSIGHTS

A further breakdown of the Facebook analytics give some very interesting insights into our page engagements.

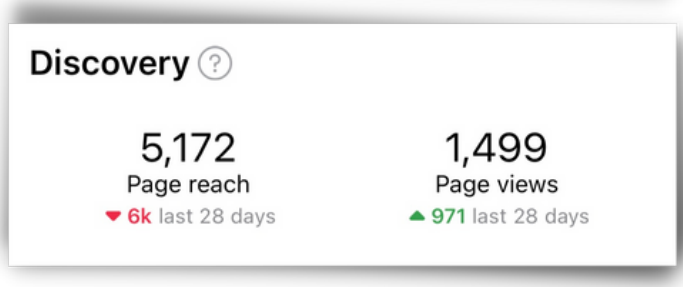

By viewing the corresponding lists, insights and graphs, the top locations of where people who like our page reside are identified, as well as showing the breakdown in gender and age of those who like our page.

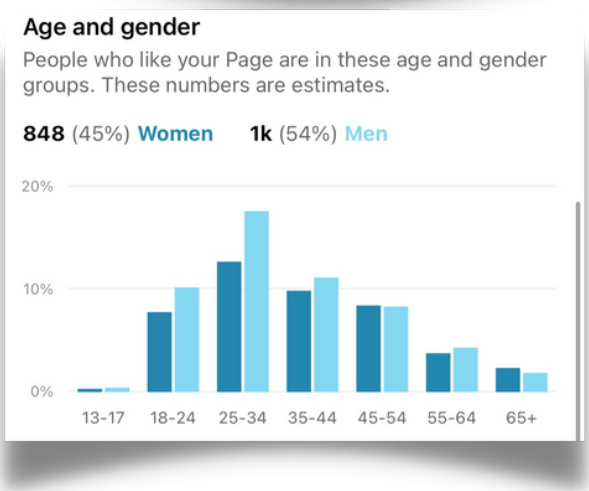

Other key highlights include the post reach, engagements, page views and clicks within a recent 28 day period.

These are all very strong numbers that not only highlight the popularity of the BFNC Facebook page, but show evidence of a fantastic promotional platform for current and potential sponsors.

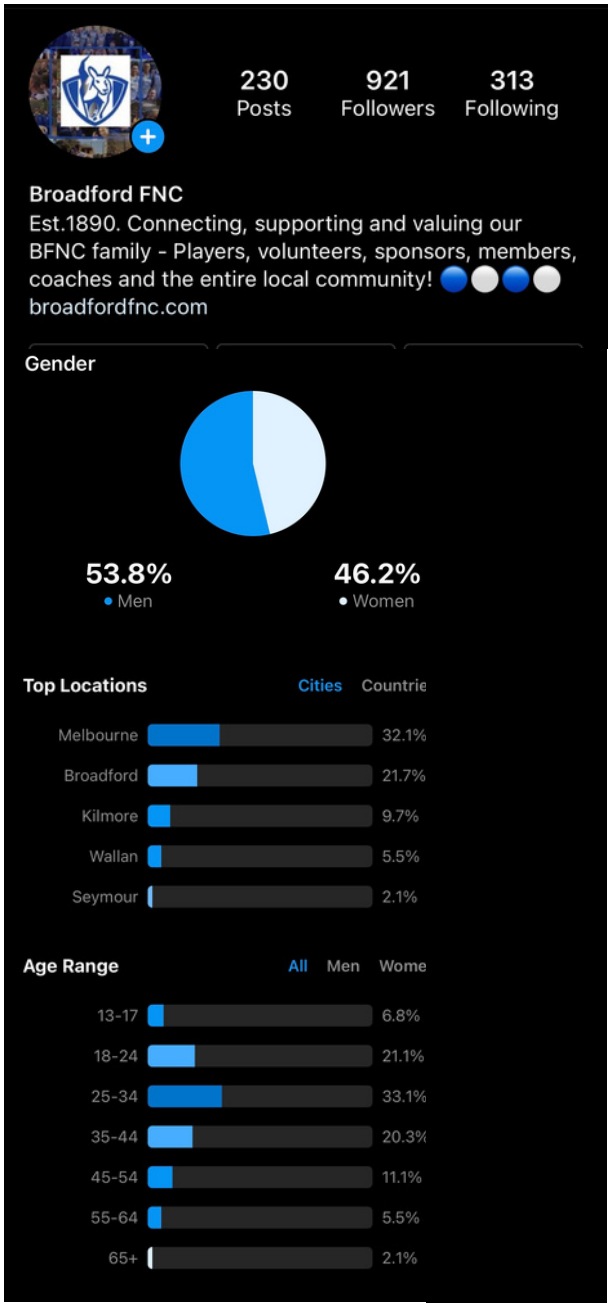

SOCIAL MEDIA INSIGHTS

Like the previous page, a breakdown of the club's Instagram analytics give some very interesting insights into our page engagements.

Our top post performers on Instagram this season can be seen in order below.
